Create a clean, functional workstation with this used AMQ height adjustable desk set. Designed for flexibility and everyday productivity, this setup includes a spacious sit-to-stand desk, a matching tower unit for added workspace support and utility. The height adjustable desk allows users to easily alternate between sitting and standing throughout the day, helping support comfort and movement in the workplace.

This pre-owned office set is a great fit for private offices, home offices, or open-plan workstations where storage and ergonomic function are equally important. With a professional look and durable commercial-grade construction, it offers excellent value without sacrificing quality.
