

USED REGENCY ONEDESK DOUBLE PEDESTAL OFFICE DESK

\$500.00

The Used Regency OneDesk Double Pedestal Office Desk offers dependable functionality and classic design for any professional workspace. Built for everyday use, this desk features a durable work surface supported by double pedestal storage, providing ample space for organizing files, supplies, and personal items.

Ideal for private offices, administrative areas, or home offices, the OneDesk combines practical storage with a clean, straightforward aesthetic that fits seamlessly into a variety of office environments. As a pre-owned piece, this desk delivers reliable performance at a cost-effective price point, making it a smart choice for budget-conscious and sustainability-minded businesses.

Features:

- Spacious desktop for daily work tasks
- Double pedestal design for added storage and stability
- Multiple drawers for files and office essentials
- Durable construction suited for commercial use
- Cost-effective, eco-friendly alternative to new furniture
