

MODLINE INDUSTRIAL CUSTOM CONFERENCE TABLES

We partner with a Michigan-based metal work shop to create these very cool Modline Industrial metal table bases, and then we add a custom laminate table top to create your vision. Standing height or seated height, any size and a variety of shapes including rectangle, oval, round, and peninsula (examples shown in photos). The Industrial bases come in three finishes including Light Trought (grey), Dark Trought (gunmetal), and Buttered Brass. The welds are visible and the finishes have a natural patina. Make your meeting area amazing with these custom tables. Tables are priced by custom quote, contact us to get started.
