

USED 44"X36" WOOD BOOKCASE

\$150.00

This used 44"x36" wood bookcase in a rich cherry finish is a stylish and functional storage solution for private office spaces, open office layouts, reception areas, schools, and professional organizations. Its compact size makes it easy to incorporate into a variety of office design setups while still offering ample room for books, binders, décor, and office equipment.

The warm cherry color adds a professional touch to any office furniture collection and pairs well with modern office cubicles, office desks, credenzas, and other workspace furnishings. Ideal for businesses looking to furnish office environments affordably without sacrificing appearance or functionality.

Perfect for storing files, literature, supplies, or display materials in conference rooms, study areas, administrative offices, or community organizations. A great option for anyone searching for second hand office furniture available for pickup in Chicago, used office furniture in Chicago, or office furniture near me.

Available from a trusted commercial furniture dealer specializing in used office furniture, office equipment, and office furniture liquidation.
