The Used Enea Coma Stool combines contemporary European design with the durability expected from commercial office furniture. Designed by Llusca Design for Enea, the Coma Stool features a clean, minimalist silhouette that looks at home in office cafés, break rooms, collaborative spaces, training areas, and high-top meeting tables. Its lightweight yet sturdy construction makes it easy to move while providing dependable seating for everyday use.

Whether you're furnishing a modern office, employee café, touchdown workspace, or hospitality environment, this pre-owned Enea stool delivers premium design at a fraction of the cost of buying new. Like all used office furniture from OFR, inventory is professionally inspected before sale, giving businesses an affordable way to furnish office spaces without sacrificing quality.
