

USED GLOBAL OBUSFORME TASK CHAIR - BLUE

\$149.00

Upgrade your workspace with this Used Global Obusforme Task Chair in blue. Designed for everyday office use, the Obusforme series combines ergonomic support with a classic professional look, making it a practical choice for private offices, workstations, home offices, and computer desks.

The contoured upholstered seat and back provide comfortable support throughout the workday, while the adjustable design helps users customize the chair to their preferred working position. A rolling base makes it easy to move around your workspace.

Features:

- Global Obusforme ergonomic office chair
- Blue upholstered seat and back
- Ergonomic contoured design
- Adjustable seat height
- Supportive task chair design
- Rolling five-star base
- Ideal for office desks, computer workstations, and private offices

This chair is pre-owned and may show minor signs of normal use. Available while supplies last.
