

USED HERMAN MILLER EAMES MESH CONFERENCE CHAIR

\$499.00

Bring timeless design and executive comfort to your workspace with the Herman Miller Eames Conference Chair. Designed by Charles and Ray Eames, this iconic chair blends sleek aesthetics with ergonomic support, making it a standout addition to conference rooms, executive offices, or meeting spaces. The grey mesh adds a professional look to any conference room while providing you with comfortable and breathable seating.

Built with premium materials and Herman Miller's renowned craftsmanship, the chair features a supportive seat, smooth 5-Star swivel base, and clean modern lines that elevate any workspace.

Features

- Authentic Herman Miller Eames conference chair design
- Mesh grey seat and back for a modern, professional look
- 5-Star base with swivel functionality and smooth casters for mobility
- Comfortable support for meetings and collaborative spaces
- Timeless mid-century modern aesthetic
