

## USED HON FLIP & NEST CHAIR

**\$150.00**

Designed for flexibility and ease, the HON Flip & Nest Chair is a smart seating solution for training rooms, conference spaces, classrooms, and collaborative environments. Its flip-up seat allows chairs to nest neatly together, making reconfiguration and storage quick and efficient.

This used model offers the same dependable HON quality at a fraction of the cost of new. The lightweight frame and smooth-rolling casters make it easy to move, while the supportive seat and back provide comfort for meetings or extended sessions.

### Features:

- Flip-up seat for easy nesting and compact storage
- Mobile design with casters for effortless movement
- Durable frame built for high-use environments
- Ideal for training rooms, meeting spaces, and multipurpose areas
