

## USED KNOLL CESCA CANTILEVER CHAIR

**\$150.00**

An iconic piece of modern design, the Used Knoll Cesca Chair brings timeless style and versatility to any space. Originally designed by Marcel Breuer, the Cesca chair is known for its distinctive cantilever frame and woven cane seat and back, blending classic craftsmanship with modern industrial design.

Ideal for conference rooms, meeting spaces, guest seating, or collaborative areas, this chair offers both visual impact and everyday comfort. The cantilevered design provides subtle flexibility, while Knoll's renowned build quality ensures long-lasting durability.

A design-forward, sustainable seating option that delivers iconic Knoll style at a more accessible price point.
