

USED KNOLL GENERATION ERGONOMIC MESH DESK CHAIR

\$375.00

Knoll created the Generation desk chair in 2009, and it's been an ergonomic classic ever since. The unique mesh back moves and bends, you can sit side ways and lean over! This inventory has adjustable seat depth, height-adjustable arms and a sliding lumbar support. The beautiful espresso color with polished aluminum back and base detail is a high-end detail you can have for a fraction of the price of new.
