

USED KNOLL GENERATION DESK CHAIR IN GREEN

\$375.00

Knoll created the Generation desk chair in 2009, and it's been an ergonomic classic ever since. The unique mesh back moves and bends, you can sit sideways and lean over! The vibrant green color with polished aluminum back and base detail is a high-end detail you can have for a fraction of the price of new.

SKU: 2096-Knoll Generation Green
