

## USED KNOLL REGENERATION DESK CHAIR - BROWN

**\$350.00**

The Used Knoll ReGeneration Desk Chair in brown delivers flexible ergonomic support with a streamlined, modern look that works well in private offices, open office layouts, conference rooms, and home workspaces. Designed by Knoll for natural movement, the ReGeneration is an ergonomic office chair that adapts to the user while providing comfortable all-day seating.

Its flexible back promotes movement and support throughout the workday, while ergonomic adjustable features help create a more personalized sitting position. The rolling base and swivel design make it a practical computer chair or study chair for long-term daily use. Brown upholstery gives this Knoll office chair a warm, professional appearance that pairs easily with a wide range of office furniture and office design styles.

Buying used office furniture is also a budget-friendly way to furnish an office with quality commercial-grade seating for less than the cost of new.
