

USED LAMINATE PEDESTAL BBF

\$50.00

Keep your workspace organized and efficient with this **Used Laminate Pedestal BBF**, now available at Office Furniture Resources. Designed to fit seamlessly under most desks, this box/box/file pedestal provides compact storage without sacrificing functionality.

Constructed with durable laminate surfaces, this pedestal is built to handle everyday office use while maintaining a clean, professional look. The two upper box drawers are perfect for storing office supplies, notebooks, and personal items, while the full-extension file drawer accommodates letter or legal-size hanging files to keep important documents within easy reach.

Ideal for corporate offices, home workspaces, schools, and collaborative environments throughout Chicago, Milwaukee, and the greater Midwest, this pre-owned pedestal offers practical storage at a budget-friendly price. Pair it with a used desk from OFR to create a complete, cost-effective workstation solution.
