

USED METAL BOOKCASE

~~\$249.00~~ **\$99.00**

Back to school bargain! No assembly required, this full metal bookcase made by Steelcase has a finished back (not flimsy press board with tiny nails!), adjustable shelves and leveling feet. Shelves adjust without tools. This book cabinet is incredibly strong and durable; it's made to last a life time and survive many moves. Load it up with heavy books, collections, records, tools, art and hobby supplies.
