Create a more connected and productive workspace with the Used Steelcase Answer 5.5x5.5 Collaborative Cubicle with Spanner Surface. Designed to support teamwork while providing each employee with a dedicated workstation, this modern office cubicle combines Steelcase's renowned durability with a collaborative layout that's ideal for today's evolving workplace.

The integrated spanner surface creates a clean, open aesthetic while providing additional shared workspace for collaboration, meetings, or quick discussions. At 5.5' x 5.5', these workstations maximize floor space without sacrificing comfort, making them an excellent choice for corporate offices, education, government agencies, and growing businesses.

Built with commercial-grade materials, Steelcase Answer workstations are designed for long-term performance and can be reconfigured as your office layout changes. Purchasing pre-owned office furniture allows you to furnish your office with premium Steelcase quality while significantly reducing costs and supporting sustainability initiatives.
