

USED STEELCASE ANSWER 5.5X7.5 CUBICLE

\$800.00

Pricing shown is for a standard back-to-back configuration. Add **\$100 per workstation** for a straight-line or individual configuration.

Panel Height & Glass: This inventory is available in two panel height configurations. Some cubicles include **12" glass stack-on panels**, creating an overall panel height of **66"**. Units without glass have a finished panel height of **54"**. Glass availability varies by inventory. Please contact us for current quantities and configuration options.

Maximize productivity with a used Steelcase Answer 5.5x7.5 cubicle, a versatile workstation that provides employees with a balance of privacy, collaboration, and efficient space utilization. Steelcase Answer is one of the most popular office cubicle systems for businesses thanks to its durable construction, flexible panel system, and clean, modern design. The 5.5' x 7.5' footprint offers ample workspace for monitors, paperwork, and storage while maintaining an efficient office layout for growing teams.

Ideal for corporate offices, government facilities, educational institutions, and healthcare environments, these used office cubicle partitions deliver premium quality at a fraction of the cost of new.
