

USED STEELCASE BIX HIGH-BACK MODULAR LOUNGE BENCH

\$250.00

Upgrade your office design with this used Steelcase Bix High-Back Modular Lounge Bench, an ideal solution for creating comfortable, semi-private spaces within an open office or collaborative environment. Designed with both flexibility and style in mind, the Bix collection helps define modern office layout zones while maintaining a clean, professional aesthetic.

This high-back modular bench offers enhanced privacy, making it perfect for breakout areas, waiting spaces, or informal meeting zones. Its structured yet inviting design supports comfortable all day seating, whether for quick conversations or extended use in a dynamic workplace.

Features:

- High-back design for added privacy in open office settings
- Modular configuration supports flexible office layout planning
- Durable Steelcase construction built for long term commercial use
- Upholstered green seating for comfortable support
- Ideal for collaborative spaces, reception areas, or private office breakout zones
- Clean, modern look fits seamlessly into contemporary office furniture environments
