

USED STEELCASE i2i SWIVEL LOUNGE CHAIR IN WHITE

\$250.00

Designed to encourage collaboration and conversation, the **Used Steelcase i2i Swivel Lounge Chair** is a modern seating solution built for today's flexible workplaces. With its distinctive asymmetrical shape and smooth swivel base, the i2i chair naturally orients users toward one another, making it ideal for lounge areas, meeting spaces, and informal collaboration zones.

Upholstered in white, this chair adds a contemporary, professional look while offering comfortable lounge-style support. Built with Steelcase's renowned durability, the i2i chair is made to perform in high-traffic environments. As a used piece, it may show light cosmetic wear consistent with prior use, without impacting functionality.

An excellent choice for organizations seeking iconic design and purposeful seating at a cost-effective price.

Features:

- Original Steelcase i2i collaborative lounge design
- Swivel base for ease of movement and interaction
- Upholstered in white for a clean, modern aesthetic
