

USED STEELCASE LEAP PLUS DESK CHAIR

\$599.00

Need a big and tall chair that will last a lifetime? Then this Steelcase Leap Plus Office Chair is perfect for you. Leap Plus combines the benefits and functions of the original Leap chair, with the added support for users up to 500 lbs. This is made possible by Leap's advanced design, featuring a flexible backrest, independent upper and lower back controls, and a dynamic seat.
