

USED STEELCASE MOVE CHAIR WITH ARMS

\$150.00

The Used Steelcase Move Chair with Arms combines everyday comfort with the durability Steelcase is known for. Unlike the standard plastic shell version, this model features upholstered seat and backrest pads, providing a softer, more comfortable seating experience for extended meetings, training sessions, classrooms, and collaborative workspaces.

Designed for commercial environments, the Move chair encourages natural movement while maintaining excellent support throughout the day. The integrated armrests add comfort, while the lightweight frame makes it easy to rearrange spaces as your needs change. Whether you're furnishing a conference room, training center, educational facility, or modern office, this pre-owned Steelcase chair delivers premium quality at a fraction of the cost of new.
