

USED STEELCASE QIVI CANTILEVER SIDE CHAIR - MIXED PATTERNS

\$150.00

Add flexible, comfortable seating to conference rooms, training spaces, waiting areas, and collaborative workspaces with the Steelcase QiVi Cantilever Side Chair. Designed to encourage natural movement, the QiVi features a flexible back and gliding seat that automatically adapt to the user, providing comfort throughout meetings and conversations.

This pre-owned inventory features a durable black cantilever frame with two upholstery options: a deep red fabric or a neutral grey patterned fabric. Customers may request a preferred pattern, subject to availability.

Features:

- Black cantilever frame
- Available with red patterned or grey patterned seat upholstery
- Flexible back and gliding seat promote natural movement and comfort
- Ideal for conference rooms, guest seating, training rooms, and collaborative spaces
- Commercial-grade construction built for long-term durability
- Pattern selection available while supplies last
