

USED TEKNION L-DESK WITH OVERHEAD STORAGE & CREDENZA

\$899.00

Right hand and left hand returns may vary in quantity, please contact us for information on current LH/RH inventory quantities available.

Enhance your private office with this Used Teknion L-Desk featuring overhead storage and a matching credenza. Designed for both functionality and professional appeal, this configuration provides an expansive work surface while keeping essential storage within easy reach.

The L-shaped layout maximizes corner spaces and supports efficient workflow, making it ideal for focused work, meetings, and multitasking. Overhead storage adds convenient organization without taking up additional floor space, while the credenza offers ample room for files, supplies, and equipment.

Built with Teknion's reputation for quality and durability, this set delivers a clean, cohesive look and long-lasting performance at a fraction of the cost of new. Contact us for current availability and configuration details.
