The Used Teknion Variable Stacking Bar Height Stool is a versatile seating solution designed for today's collaborative workplaces. Featuring a clean, contemporary silhouette, this commercial-grade stool is ideal for office cafés, breakrooms, meeting spaces, training rooms, and collaborative environments. Its lightweight yet durable construction allows for easy stacking and storage, making it a practical choice for spaces that need flexible seating.

Designed by Teknion to withstand the demands of commercial use, the Variable stool combines lasting durability with modern style. Whether you're furnishing a modern office, employee café, or collaborative workspace, this pre-owned stool offers exceptional value while helping you furnish your office for less than buying new.

Features

- Stackable design for convenient storage
- Commercial-grade construction built for everyday use
