Office Furniture Resources (OFR), the Midwest's leader in sustainable office furniture solutions, is a full service office furniture dealership providing quality New, Used and Refurbished office furniture to businesses of all sizes.

Established in 1991 and headquartered in Milwaukee, Wisconsin, OFR operates showrooms and warehouses in Chicago, Milwaukee and Madison. OFR's National Decommission Team works across the country. Our ReThink decommission services restore office spaces to lease-end condition, in preparation for a new tenant. The goal of our efficient and cost-effective repurposing approach is to greatly reduce the use of landfill when a Fortune 500 tenant leaves an office space. In the ReThink process we use our wholesale network, charitable donation partners and retail stores to repurpose more than 1,500 trailer loads of furniture each year.

Small and mid-size businesses save money and reduce waste by buying high quality pre-owned and refurbished furniture from OFR. We have over 200,000 square feet of quality furniture in stock, ready to deliver. QuickAnswer, our refurbished cubicle product line, is remanufactured in the USA, by skilled craftspeople in our Des Plaines, IL facility. Our experienced furniture sales & design representatives provide hands-on, helpful service and project management. Rethink the cost, process and environmental impact of furnishing your office space –with the help of OFR!
