

Make your desk a standing desk.

Most desks and cubicles can be retrofitted with a powered, height adjustable base.

Standing section

- Powered, adjustable bases fit under the desk top, keep more desk top space
- Adjust the desk height in both seated and standing positions.
- Add monitor arms for total ergonomic comfort and convenience.
- Powered, height adjustable bases are available both Used and New, pricing starts at \$350
- Delivery & Installation quoted separately

Examples of OFR retrofits:
